

Immigration Medical Charges

MEDICAL EXAMINATIONS:

Please see below for cost of each component of the examination.

Blockhouse Bay has acquired the Chest X-rays at a discounted rate which are applicable if they are paid to the clinic along with your medical examination cost. **Blood test charges are separate and are charged and collected by Awanui (Labtest).** Please note, your immigration lawyer or INZ will advise you if you do not require a chest x-ray as part of your examination (have already had one that is still valid). Chest x-rays can only be done at certain imaging providers and for the discounted rate, please attend one of the radiology facilities listed below the table.

Age	Medical type and cost	Chest X-ray	Total cost to be paid to clinic (INCLUDES chest xray charges but EXCLUDES Blood test charges)
